To: Parents and Guardians of Graford ISD Students,

The tragedy in Florida reminds us all of the importance of safety and security in schools. We want to assure our families that our district and schools constantly strive to update our emergency operations plan that has been created/reviewed in accordance with state law. The members of our staff have been updated on the specifics of this plan, and we conduct periodic drills to ensure that everyone knows their role during a crisis. Our district's school also has specific protocols for entry to our schools, and we appreciate the understanding of our parents as we enforce and update these protocols for the safety of our children. The safety of our students remains our highest priority.

With this in mind, we are making a change to our morning student drop-off procedures. For those who drop their child(ren) off at the east drive-through, we ask that you now drop them off at the south doors instead of the north doors. These doors will be open from 7:30 am to 8:00 am. If you should arrive after 8:00 am, then your child will need to enter the building at the main entrance located on Division Street.

Graford ISD will continue to monitor, assess, and update our security procedures as needed. We appreciate your continued support of our district as we strive to meet the educational needs of our students.

Respectfully,

Dennis G. Holt, Superintendent

Graford ISD
