To the Graford ISD parents and community,

Graford ISD has been in compliance with Governor Abbott's order regarding facial coverings, GA-29. As of Wednesday, March 10, order GA-29 is rescinded, and the State of Texas will no longer require individuals to wear facial coverings. Accordingly, Graford ISD will no longer require individuals to wear facial coverings. **Students and staff members who wish to continue wearing facial coverings are certainly permitted to do so.** In following the guidance of Governor Abbott and other state officials, the district will continue to follow our prevention and response protocols as written and currently implemented. The district's response and protocols can be found on the main page of our district website (www.grafordisd.net) **under the tab marked "COVID Response Protocols"**. No other changes are being made at this time. The district will continue disease mitigation practices, including frequent hand washing and enhanced cleaning processes.

As the current situation evolves any adjustments and changes made to the current protocols will be communicated to you in a timely manner. If you have any questions, please contact your child's campus principal or central administration.

Respectfully,

Dennis G. Holt, Superintendent
Graford ISD
